THE E-MRS IN BRIEF

Founded in 1983, the European Materials Research Society (E-MRS) now has more than 4,000 members from industry, government, academia and research laboratories, who meet regularly to debate on recent technological developments of functional materials. The E-MRS differs from many single-discipline professional societies by encouraging scientists, engineers and research managers to exchange information on an interdisciplinary platform, and by recognizing professional and technical excellence by promoting awards for achievement from student to senior scientist level.

As an adhering body of the International Union of Materials Research Societies (IUMRS), the E-MRS enjoys and benefits from very close relationships with other Materials Research organizations elsewhere in Europe and around the world.

Each year, E-MRS organizes, co-organizes, sponsors or co-sponsors numerous scientific events and meetings. The major society conference, the E-MRS Spring Meeting, is organized every year in May or June, and offers on average 25 topical symposia. It is widely recognized as being of the highest international significance and is the greatest of its kind in Europe with about 2,500 attendees every year.

Each symposium publishes its own proceedings that document the latest experimental and theoretical understanding of material growth and properties, the exploitation of new advanced processes, and the development of electronic devices that can benefit best from the outstanding physical properties of functional materials.

A unique audience

The 2024 E-MRS Exhibition will provide a unique opportunity to present innovative products and services of interest to the materials community.

TOP 10 AT SPRING MEETING 2024 - GEOGRAPHICAL ANALYSIS

The E-MRS Spring Meeting draws an audience from 56 different countries. Representing quality and quantity, this audience comprises key decision-makers involved in the field of materials research.

SCIENTIFIC PROGRAM 2025

MATERIALS FOR PHOTONICS AND ELECTRONICS

- A** Carrier transport, photonics and sensing in group IV-based and other semiconductors
- B** Topological materials and their application to classical and quantum nanotechnologies
- C** 2D materials and beyond: tomorrow's printable low-dimensional nanostructures and hybrids
- D** Next-Generation Solar Technologies: unconventional materials and sustainable innovations for photovoltaic, photoelectrochemical and photocatalytic systems
- E** Neuromorphic computing and adaptive sensing: material challenges, advances and future prospects

NANOCOMPOSITES AND HYBRID MATERIALS

- F** Synthesis and characterization of functional nanocomposite materials
- G** Flexible, stretchable and printable electronic materials for sustainable healthcare, sensing and actuation, energy applications and interconnections
- H** Ferroic materials and heterostructures: from fundamentals to applications
- I** Designed and engineered soft materials for biomedicine and bioelectronics

MATERIALS FOR SUSTAINABLE ENERGY

- J** Engineered nanomaterials for energy and environment: from synthesis to applications
- K** Solid state ionics: functional materials and devices for electrochemical energy conversion and storage applications
- L** Solid state batteries: materials, processing and advanced characterization
- M** ANIM 5: advances and enhanced functionalities of anion-controlled new inorganic materials and mixed-anion research for energy conversion
- N** Advanced doping strategies, defect states and electronic structure of functional oxides

ADVANCED CHARACTERIZATION AND COMPUTATIONAL DESIGN

- O** Laser-matter interaction for life and society: fundamental mechanisms and emerging applications
- P** Novel materials and devices for photon and ionizing radiation detection
- Q** X-ray and neutron methods at large-scale facilities for materials and their processes: microscopy/imaging, diffraction, spectroscopy and spectromicroscopy
- R** New developments in the modeling and analysis of radiation damage in materials III
- S** Computations for materials – discovery, design and the role of data

ECOLOGICAL AND BIOMATERIALS

- T** Eco-sustainable designing of thin films, nanostructures, nanohybrids and hydrogels for high-added value materials
- U** Sustainable nanomaterials healthcare technologies

FORUM

- V** 2nd Joint Forum on Sustainable Materials: Driving Industrial Transformation Through Academic Innovation
- W** Indo-Europe Joint Forum on Circular Economy through Urban Mining

E-MRS 2025 SPRING MEETING EXHIBITION

Around 80 international exhibitors will display a full spectrum of equipment, instrumentation, products, software, publications and services.

To be held on **May 27 – 29 at the Convention and Exhibition Centre of Strasbourg**, the exhibit will be convenient to the technical session rooms and scheduled to coincide with the technical program. For exhibitors, it will mean an excellent opportunity to meet just the right customers and disseminate information effectively.

For meeting attendees, the E-MRS exhibition will offer the convenience of visiting with multiple vendors all under one roof. So, pick up some literature, enjoy a hands-on product demonstration or meet face-to-face with company representatives.

The following companies welcomed you at their booth in **2023&24**:

RULES & REGULATIONS

1. LOCATION, DATES & HOURS

The Exhibition will be held on:

Tuesday May 27

Wednesday May 28

Thursday May 29

at the **Convention and Exhibition Centre** in Strasbourg, which is located at:

Avenue Herrenscheidt

67082 Strasbourg

France

<http://www.strasbourg-events.com/en>

Exhibition hours

Tue. May 27	Wed. May 28	Thu. May 29
9:00 – 18:00	9:00 – 18:00	9:00 – 16:30

2. ARRANGEMENT OF EXHIBITS

E-MRS reserves the right to determine final placement of the Exhibitor. Exhibitors agree to arrange their exhibits so as not to obstruct the general view of nor hide other exhibits. The booth decoration must be realized with non-inflammable or fireproofing materials. Exhibitors must use extreme caution when operating equipment which could cause eye damage, emit excessive radiation or in any way harm visitors in the exhibit area.

3. INSTALLATION

One half day for setting-up the booth, **Monday May 26 from 13:30 to 18:30**. Pick packages up to the Exhibition Hall. The arrangement of the booths has to be imperatively finished at this time, due to the constraints of the regular control done by the Safety Department of the Convention Center. The storage of the empty boxes has to be planned with the Convention Center.

It is forbidden to use nails, screws or glue on the structure. Any deterioration caused by the installations and decorations of any kind will be borne by the exhibitors. The walls of the exhibition halls, pillars, stairs, doors and others shall not be used for purposes of decoration. In addition to this, it is forbidden to: tamper with the waste heat, flues, water-pipes, compressed air ducts, electrical and phone circuits, water or drain network.

Car parking nearby: 850 spaces - PEX - rue Fritz-Kieffer (next to Hotel Hilton). **It is strictly forbidden to park in the technical courtyard at the PALAIS DES CONGRÈS, except when unloading.**

4. DISMANTLING THE BOOTH

On **Thursday May 29, starting at 16:30 AFTER THE COFFEE BREAK (mandatory)**. Exhibitors are bound to dismantle their booth and deliver it in its initial state. Eventual repair costs will be invoiced to the exhibiting company.

5. DELIVERY

STRASBOURG CONVENTION AND EXHIBITION CENTRE can receive your deliveries from:

Monday May 19 to Friday May 23, 2025. Delivery times: 8:00 to 11:30 am.

IMPORTANT:

Please make sure that your deliveries reach STRASBOURG Convention Centre by Friday May 23 at the latest. COLLECTION must be planned for Friday morning May 30. NB: Thursday May 29 is a day off in France (Ascension day)

Packages sent by exhibitors must meet the following conditions to be accepted:

- **Each package must bear the label provided on the following pages, duly completed**
- You must contact a freight forwarder / carrier who will be able to deliver your packages to your stand.
- The Palais des Congrès reserves the right to refuse delivery if the information necessary for its delivery is not indicated.

THE RESPONSIBILITY OF STRASBOURG EVENTS WILL NOT BE COMMITTED IN THE EVENT OF LOST OR DETERIORATED PACKAGES IF THESE CONDITIONS (DELIVERY TIME AND LABELING) ARE NOT FULFILLED.

The verification of the good reception of your parcels is done with your carrier who will provide you a good of good delivery, and not STRASBOURG EVENTS.

STRASBOURG EVENTS does not take care in any case of the expenses of reception, the expenses of customs clearance or others (carriage paid).

Delivery of pallets

Please note that the receipt of pallets will be done on written request in advance. Please indicate the name and arrival time of your carrier, the value of the pallet. STRASBOURG EVENTS is released from any responsibility in case of theft or breakage during transport. No content verification will be performed.

International Delivery

International packages must be shipped with International Commercial Terms in DDP (Delivered Duty Paid). Goods delivered to final destination, import customs clearance and taxes payable by the seller / shipper.

Storage of packaging

STRASBOURG EVENTS does not have premises for the storage of empty packaging during the duration of exhibitions. These must therefore be immediately removed as and when assembly and, if necessary, brought back at the time of disassembly.

All packaging type storage: cartons, cans, pallets, in the exhibition surfaces, in the clearances as well as in the immediate surroundings of the halls is strictly forbidden.

Unloading trucks and transport to the stand

They must be supported by the exhibitor. You must use a forwarder / carrier for handling and unloading services. The PALAIS DES CONGRES does not provide the unloading equipment.

7. PICKUP

The removal must be done on the day of disassembly on Thu. May 29 after 16:30 or preferably Fri. May 30 between 8:00 and 11:30 am. NB: Thursday May 29 is a day off in France (Ascension day)

The PALAIS DES CONGRES cannot contact your carrier on your behalf. You must ensure the repackaging of your equipment, labeling, and leave the packages on your stand. The responsibility of STRASBOURG EVENTS cannot be engaged in any way on the disappearance or destruction of any material left after the event.

You must also check that your package is billed and paid to your carrier before making your request for recovery of your package, whether for its transport but also regarding customs clearance if necessary. The Palais des Congrès reserves the right to refuse delivery if the information necessary for its return is not indicated. The Palais des Congrès also reserves the right to have all objects left by the exhibitors at the end of the event removed and transported to public landfills by the exhibitor.

8. MAINTENANCE OF EXHIBITS

STRASBOURG EVENTS provides general cleaning of the aisles every morning. Moreover, the guarding will be done by the employees of the Convention Centre at no charge.

9. CATERING

Catering and sale of all food and drinks on site are reserved exclusively for Strasbourg Convention and Exhibition Centre.

10. STAND SECURITY

It is recommended that you never leave your stand unattended during the installation and dismantling of installations. Valuables must be locked away.

11. SECURITY REGULATIONS

Exhibitors must strictly respect security regulations and those specifically relating to the event. <http://www.strasbourg-events.com/>

Exhibitors must strictly comply with the provisions set out in the Fair regulations, communicated by the Organizer.

12. CANCELLATIONS

In case of cancellation, 50% of the booth rental will be refunded.

13. INSURANCE

The Organizer is responsible for the overall insurance for the exhibition in terms of fire and civil responsibility. Each exhibitor is responsible for taking out any additional insurance they deem necessary.

Neither the organizers nor Strasbourg Events may be held responsible for theft or damage to personal goods belonging to exhibitors either during visiting hours or during the installation and dismantling of stands.

14. ADVICE

If you book additional services, they must be ordered as soon as possible, and before show, to ensure the best service in terms of quality, color, volume and delivery time.

On site, during the assembly period, the services ordered will be provided within the limits of available stocks.

TRAVEL INFORMATION

REACHING STRASBOURG

Strasbourg enjoys excellent national and international connections, with a TGV high-speed train station with direct access to trains in the city center.

by air:

Strasbourg-Entzheim International Airport - Strasbourg airport is just 9 minutes from the city center by train. It offers several flights a day to and from Marseille, Nice as well as some international connections, for example Amsterdam, Barcelona, Berlin, London Gatwick, Madrid, Prague, Rome. More information on: <http://strasbourg.aeroport.fr/en>

Paris Charles de Gaulle (France) – Directly from the airport, you can take a TGV to Strasbourg. When booking with Air France, your airfare can include the transportation by TGV to the Strasbourg main station. More information on <http://www.parisaeroport.fr/en>

Basel-Mulhouse-Freiburg Airport (France)- one-hour twenty minutes by train (take the shuttle bus to the Saint-Louis train station (Line 11) and then catch the train to Strasbourg). More information on <http://www.euroairport.com/en/>

Karlsruhe/Baden-Baden Airport (Germany) is located about 60km away in Germany. The best way to get to Strasbourg is to get a bus from the airport to Baden-Baden Hauptbahnhof (Main Station) from here trains run to Strasbourg, normally with one change. From station to station the journey is about 45m-1hr. More information on <https://www.baden-airpark.de/en>

Frankfurt International Airport (Germany) is about 2h30 hours away from Strasbourg, and is one of the nearest inter-continental airports to Strasbourg, with Paris Charles de Gaulle. Lufthansa operates a shuttle bus between Strasbourg (stops at the train station and at the Hilton Hotel, just in front of the Convention Center) and Frankfurt Terminal 1 – « THE SQUAIRE WEST ». You can also take a train from Frankfurt to Strasbourg. More information on <http://www.frankfurt-airport.com>

10% discount on the fare component on a wide range of public airfares on Air France, KLM and code-shared flights.

Event: **E-MRS 2025 Spring Meeting**

ID Code: **GME50225AF**

Travel Valid Period: May 18, 2025 to June 6, 2025

Event location: Strasbourg

The tickets can be booked via: the dedicated Air France or KLM websites and by applying the unique event ID code during the check-out process

by train:

Strasbourg has one of the largest railway stations in France and enjoys direct TGV connections to many French towns and cities. The city is also an important high-speed train hub, lying on the intersection of the East European and Rhine Rhône TGV lines, and is a short ride away from major European cities. For more information, please visit the SNCF web site.

Examples of travel times to Strasbourg:

- 1h20 from Stuttgart
- 2h05 from Zürich
- 1h50 from Paris
- 3h40 from Munich
- 1h45 from Frankfurt central station or airport (at least one change)

For more information, please visit <http://en.voyages-sncf.com/en/>

by road:

Strasbourg can be reached from various directions:

- From the west (Paris, Benelux) taking the A4 highway (E25). About 4 hours from Paris;
- From the south (Switzerland, Lyon), taking the A35 highway (E25). About 5 hours from Lyon;
- From the north and east (Germany), taking the A5 highway (E35).

The Strasbourg-Mulhouse route joins it to the rest of the French motorway network. Strasbourg is fifteen minutes from the Hamburg-Frankfurt-Basel-Genova or Milan motorway, itself linked to the entire European motorway network.

by bus:

Strasbourg can be reached by bus at attractive prices from major European cities. Four agencies, Eurolines, Isilines, Flixbus et Ouibus provide bus connections with Strasbourg and cities like Amsterdam, Barcelona, Basel, Brussels, Bucharest, Budapest, Frankfurt, Krakow, London, Lyon, Marseille, Munich, Vienna, Zurich, ...

More information on <https://www.flixbus.com/> OR <https://www.blablacar.co.uk/bus>

REACHING THE CONVENTION CENTRE

- 10 minutes by tramway from the center of the city. Trams are running every 10 minutes.
- 15 to 20 minutes from the central railway station (connection with Strasbourg airport and fast train to Paris)
- Tramway: lines B and E - Wacken tram stop
More information on <https://www.cts-strasbourg.eu/en/>
- Car parking nearby: 850 spaces - PEX - rue Fritz-Kieffer (next to Hotel Hilton)
- Vélhop self-service cycle hire scheme: rental points at the railway station and in the city centre. A cycle path brings you directly to the Convention Centre.

1. Sign up and register.

The screenshot shows the website header with the E-MRS logo and event details. Below the header is a blue navigation bar with the word 'Accueil'. The main content area features a 'WELCOME' message and a prompt to sign up for booth space or sponsor packages. There is a login form with fields for 'User name' and 'Password', a link for 'Forgotten password', and a blue 'CONNECT' button.

2. Fill in all the data carefully, as they will be used for issuing the invoice.

The screenshot shows the registration form on the website. It includes a header with the E-MRS logo and event details. Below the header is a blue navigation bar with the word 'Accueil'. The form is divided into several sections: 'Contact details' (Civility, Lastname, Firstname, Email), 'Group details' (Corporate name, Address, Post code, Town, Cedex, Country, Phone, Fax, VAT number), 'Invoicing' (Invoicing address, Post code, Town, Country), and 'Exhibition' (Description). A blue 'Register' button is located at the bottom of the form.

3. Choose "Manage your partnership".

4. Choose booth number and click select at the bottom of the page.

- Finish by choosing "Next step" at the bottom of the page or choose a complementary product:
